SENATOR CAVANAUGH: Mr. President, I move the adoption of the E&R amendments to LB 536.

PRESIDENT: Motion is to adopt the E&R amendments now to 536. All those in favor of the motion say aye. Those opposed say no. So ordered, the E&R amendments are adopted.

SENATOR CAVANAUGH: Mr. President, I move LB 536 as amended be advanced to E&R for Engrossing.

PRESIDENT: Now you've heard the motion to advance the bill as amended. All those in favor of that motion say aye. Those opposed say no. So ordered, the bill as amended is advanced.

CLERK: Mr. President, I have a motion to recess but there is another motion pending to return LB 111 to E&R for Engrossing to permit the things that we tried to do this morning to 366. We returned 366 to correlate the thing with 111 and we now need to return 111 to complete the correlation.

PRESIDENT: Let's see if we can do that. Senator Goodrich back to you. Go ahead, sir.

SENATOR GOODRICH: (inaudible) members of the body. This morning we passed a motion giving Emory Burnett instructions to correlate the two bills, 111 and 366 and according to the board, 111 was still on E&R Engrossing, did have, not have to be brought back to accomplish this end so all we brought was 366 back. Now, in the meantime what happened was Vince Brown read in the report from Emory Burnett which automatically advanced 111 to final so Emory's hands are tied until we bring 111 back to E&R Engrossing for-- to comply with the original amendment we passed, the original motion we passed this morning. I would move the return of the bill.

PRESIDENT: That's the original case of where the left hand didn't know what the right hand was doing. Alright, the motion is to return LB 111 from final then to E, final E&R for the correlation as was explained earlier. All those in favor of that motion vote aye. All those opposed vote no. You're voting on the motion just to return LB 111 from final to E&R Engrossing. Needs 25 votes. Thank you. Clerk will record.

CLERK: (mike off)-7 ayes, no nays, Mr. President.

PRESIDENT: Bill is returned.

CLERK: I have a motion on the desk.

PRESIDENT: Read the motion on the desk.

CLERK: I move we recess until 1:30. Signed Senator Syas.

PRESIDENT: Motion is to recess until 1:30. Is there any further business to come before the body? All those in favor of recessing until 1:30 say aye. Those opposed say no. So ordered, we're recessed until 1:30.
